Dear Scott, Carolyn and Joel

Just a note to thank you all very much for assisting in my house hunting. In particular, Scott, thank you for valuing the property and negotiating a much better price than I would have managed to get. In my case, your expertise was most important to me in view of my not being familiar with Queenslander type houses.

Although settlement is still a few weeks away, I am looking forward to moving into my own house.

Thank you again and best wishes for a successful future for your company.

Kind regards
