Dear Scott.

Thank you so much to both you and your team who assisted me and purchasing my first investment property in Brisbane while I was residing here in London.

Certainly your expertise as a Buying Agent, and the assistance you were able to provide me during the transaction made the purchase easy and enjoyable for me whilst located on the other side of the world. I really valued your input, professionalism and the support you provided through each stage of the purchase and your constant attention to detail and maintaining my best interests throughout the entire process.

Once again. Scott thank you very much for your help and I look forward to doing business with you and Property Searchers in the future.

Thank you, and kindest regards
