*Dear Carolyn*

Thank you for the PMG receipts, which we received yesterday. Please find enclosed a cheque to cover your fee.

Gail and I would like to express our gratitude for the work you have undertaken on our behalf. Long distance property management is fraught with difficulties, as I know you will appreciate; there is absolutely no way that we would have even considered embarking on this venture without your assistance. We are delighted with the results and look forward to reaping the rewards in the years to come. Our piece of mind has been kept intact throughout, knowing that you were always acting in our best interests. Please keep us abreast of any new opportunities arising; we may not be in a position to act in the short term but we are very interested in keeping in touch with SE Queensland, as we see our future lying pretty close to that part of the country.

Once again, thank you for personal and efficient service and we look forward to working with you in the future.

Yours sincerely,

*Lepp*
