Subject: thanks

Hi all,

Now that things have settled down again here in Samoa, Paula and I wanted to say thanks for all the work you put in resulting in our purchase of 102 Cobalt Street.

We appreciated all the help you gave us, including Carolyn viewing houses with me. Our task of buying a house in Australia while living in Samoa was made very much easier.

If we get going with paying this house off maybe we can use you again in the future!

Thanks again.
Regards,
Nigel and Paula
